

SPORTS FEE POLICY

The Zion Lutheran Booster Club, with approval by the Zion Lutheran Board of Education, instituted a SPORTS FEE POLICY in 2003-04. The fee to play sports at Zion Lutheran for the 2017-18 school year is \$80.00 per athlete. This will cover any of the sports that your child plays at Zion Lutheran School. This fee is due by August 29th for athletes participating in a fall sport. The fee for athletes who do not participate in a fall sport will be due prior to their first game or meet. Please return the form below, and make checks out to the Zion Lutheran Booster Club. Put the form and the fee in an envelope addressed to James Ledebuhr. Please have your child bring the envelope with the form to my classroom.

Family Sports Passes will once again be available for Zion Lutheran School member families. For \$35.00, your immediate family will receive a season pass good for all Zion home games. If you choose not to do so, then just pay when you come to the game(s) at Zion.

We are also encouraging all families to join the Zion Lutheran Booster Club. This is an additional \$20.00 fee, which can be added on to your sports fee.

Zion parents will still be expected to work at the regularly scheduled home games at Zion Lutheran, either keeping score, running the concession stand, or taking the gate. Parents of the 5th Grade basketball players will still work at the Boys' & Girls' 5th Grade Tournament in February.

In Christ,
James Ledebuhr
Athletic Director
Zion Lutheran School
