WHAT WILL CUB SCOUTS DO?

Scouting involves skills development. It is goal-oriented without the pressure of winning and losing. It's about making friends without the need to compete with them. In Cub Scouts, boys will:

- Transform a block of wood into a race car
- Participate in community service projects
- Learn about STEM
- Explore the community with field trips
- Go fishing
- Explore their outdoor world
- Go camping
- Test their marksmanship
- Work in teams

In Scouting, everything has a purpose. And it shows kids that doing their best is the most fun of all.

WHEN DO CUB SCOUTS MEET?

Scout meeting days and times vary from Pack to Pack. Some groups meet once a week, others twice a month. Families can work together to choose a meeting schedule that works best for the group.
