THE BOOK FAIR IS COMING!!!

March 5-9, 2018

Scholastic has lots of great books available, from favorite authors as well as exciting new series. The fair benefits our entire school by earning us a large number of books for our library and classrooms. More information will be coming home in a few weeks, so keep checking those backpacks! If you are interested in volunteering to work at the book fair, we do have lots of openings available. Please watch for a volunteer form that will be sent home with students, e-mail me at mpapka@zionschool-belleville.org, or leave your contact information in my mailbox in the school office.

Mrs. Papka - Zion Librarian

A Note From The Kitchen

Free and Reduced Lunch Forms may be filled out anytime during the school year if your financial situation should change. The forms are located on the board across from the school office. Turn them in to the school kitchen.

If you have any questions, please contact Julie Kienitz in the Zion Kitchen.

Recently our fifth graders were asked to write a short story using point of view using just a picture. Given the colder temps recently, this is a lovely read. Enjoy!

Writing prompt: point of view
Using this picture, tell the story from either the viewpoint of the snowman or the deer. Include the setting and dialog.

The Snow Heart

On a cold winter's day I was made with snow. It gets very boring just standing here doing nothing. I've been here for ten days looking for anything I can stare at but all I could see was snow and broken tree branches. Since looking is the only thing I can do because I'm a snowman it's not very fun. I wish I was an animal that could run fast and go wherever I wanted to go. There are so many animals. Why couldn't be one?

While I was standing there expecting nothing because I have not seen anything interesting for the ten long days I have been here. I didn't notice when a deer came up to me and stared at me for a very long time but when I did notice the mean deer bit my carrot nose. I was thinking to myself "pick on someone your own size mean old deer." How could I tell him that?

I'm just a snowman so, I let him have my nose but I was very angry.

I wasn't angry for long. Even though I don't have a nose but I do have a heart made of snow. I think that deer needed something to eat because if didn't He could have died from starvation. What kind of snowman would I be if I let him starve. Even if I can't run, skip, walk, and dance I can still love and care. Now I'm happy to be a snowman with a heart full of snow.

DID YOU KNOW? OUR MASCOT IS LUKE THE LION

To our currently-enrolled families of Zion Lutheran School -

Registration for the 2018-2019 school year is now open!

Completing the registration process early is vital to our planning - hiring qualified teachers, determining class sizes and programming - in order to meet the educational needs of our students for the upcoming year.

We have had an exciting first half of the 2017-2018 school year, and we know God is going to continue do His good work in our school for the remainder of the year and into the next. In the past few years and months here at ZLS, He has supplied our needs and the needs of our students in many areas:

- 1) 1 new teaching staff member, new preschool teachers' assistants, & a new extended care director
- 2) The Grand Opening of our Reading Lab to help us differentiate our reading instruction for kindergarten-2nd grade students
- 3) AIMSWeb Plus testing from kindergarten all the way through 8th grade
- 4) Capability to supply incoming 5th graders with Zion-owned Chromebooks (improving our 1-to-1 technology component in the 5th-8th grade classes)
- 5) Progress toward streamlining our school information system using TADS and Educate
- 6) Meeting our fundraising goals allowing us to upgrade our safety and security equipment to the interior/exterior of the building

We know that His goodness will not end there.

You have entrusted your precious children to our care and invested greatly in their academic and spiritual futures, and we are honored to bear that responsibility. We are looking ahead with excitement and hope at the opportunity that we have to continue to provide our students with an excellent academic program while living out God's Word and showing the love of Jesus Christ. We pray that you will remain a part of it.

Updates:
[2018-2019 Tuition & Fees - Our tuition has changed!](#) Preschool families, please pay close attention to the difference in tuition between preschool and K-8.

Preschool Programming Changes - We are so excited to offer more flexible preschool options for our families! Starting next fall, preschool families will be able to choose full or half day programs from 2-5 days a week. You will also be able to choose which days of the week you want your children to attend!

Addition of a 2-year old preschool program (in the planning stages)- Even more exciting for us is the addition of preschool programming for 2 year olds and children who turn 3 after the September 1st cut off date. Our goal is to open enrollment for this program in the spring, so stay tuned!

[Tuition Assistance - Zion automatically applies tuition assistance to families with 3 or more children enrolled and offers needs-based tuition assistance to families who qualify after applying through the Financial Aid module in TADS. The deadline for applying is April 1st, 2018.](#)

**Zion Lutheran Church and School has not yet made its decision to participate in the state's new tax credit scholarship program. When a decision is reached, more information will be shared with you.*

We encourage you to spread the word in our community of how God is working through the lives of the students and staff to provide a loving, Christian, educational environment for children and families. Please also keep Zion Lutheran School in your prayers as we move through this very important enrollment period. We are ready to continue to carry out Christ's mission here in Belleville.

In His Service,
Mrs. Ananda Baron
Principal

DEADLINE FOR NEXT LION'S ROAR: FEBRUARY 26

Want to save up to \$200?

We'll tell you how!

Our All School Open House, taking place Sunday, Jan. 28, is a great opportunity to invite your friends, family, neighbors, and others to tour our school. And we're willing to reward those who do.

If you invite a family to our open house, and that family attends & puts you down as a referral that day, your name will go into a drawing where a lucky winner will have one child's registration fee for the 18-19 school year waived. Winner will be announced on Monday, Jan. 29. That is a savings of up to \$200! Sounds great, right?

Word of mouth has always been the most successful marketing tool for ZLS. It is the most important way prospective parents find out about our school. Share our event and let's flood our halls with families who want to learn more about our #1 school.

Instilling Grit:

The Art of Raising Highly Self-Motivated Kids

No, it isn't your imagination that children in our nation today seem more anxious and less independent. More entitled and less capable. More worried and less resilient. *Why is this?*

Come hear author and prolific speaker Amy Maus discuss how to instill grit, self-motivation, and independence in our children, even when the current cultural climate pressures us to do the opposite.

Topics Include:

- How we create or suppress grit and internal motivation in our kids
- Today's culture says: rescue, manage, and do too much for our children
- Why anxiety is on a steep rise in our children and youth
- How to build independence, boost self-esteem, and create long-term grit!

January 30th at 7:00 p.m. at

Holy Cross Lutheran School - 304 South Street - Collinsville

Speaker:

Amy V. Maus, LCSW, author of *The Care Team Approach*, specializes in school consultation. She provides presentations, inservice training, principals groups, Care Team consultation and case consultation to urban, suburban and rural schools and districts.
