Family Connect Faith 5 - "Pray"

In our Lion's Roar publication this year, I have been sharing with our school families the "Faith 5" - a simple faith practice to put into a 5-15 minute nightly "enrich-ual" to encourage communication and promote mental and spiritual health and strength among your family. We start by sharing our highs and lows of the day. Then, we read a Bible verse, passage, or story together. After that, we talk about how God might use our Bible reading to reveal something from our highs and lows. Last month, Rick and Dorothy Gove shared with parents the fourth step in the Faith 5 - Pray.

Any time you are talking to God, that prayer has power for you and your family, but this fifth step invites us to pray for one another's highs and lows specifically. Have you ever heard someone pray for you by name or pray with you for a specific need? Have you ever been affected as the pray-er? Dr. Rich Melheim, author of "Holding Your Family Together" says, "Prayer brings comfort and hope. It brings thanksgiving and exercises maturity. It allows us to share our deepest selves with God and others. It brings intentionality to love. Intercessory prayer - praying for another - makes God part of our highs and lows. It teaches children a boldness that allows them to think...Prayer changes things, but first it changes you."

What will intercessory prayer among your family members do for your family as a unit? Melheim says it creates a strong bond to God and to one another. Isn't that a desire that God has placed on all our hearts and minds as parents? This bond, by the way, isn't just made to help us feel good. It is a bond of power, and together, a family (and a body in Christ) can fight off any problem that Satan throws our way; "...it switches us from defense to offense," (Melheim). Couldn't we all use more confidence and strength when facing our giants?

If you have not yet begun the "Faith 5" routine in your homes, start it tonight, and allow God to take up residence at the front of your minds and the depths of your hearts and experience for yourselves and your children the power of prayer.

A Thank You from Mrs. Papka, Librarian

Thank you, Zion families, for supporting our school's 2018 book fair! We were able to get lots of new books for our classrooms and library (with more on the way), which benefit all of our students.

You were also a blessing to the Honduras mission by providing a full box of Spanish-language books for the children there.

I would like to especially thank those parents and grandparents who volunteered their time to set up, run, and clean up the book fair. None of this would have been possible without you!

SPREAD THE NEWS

**COMING AUGUST 2018
2-YEAR OLD PRESCHOOL AT ZLS!**

ZION LUTHERAN CHURCH & SCHOOL

This fall, Zion Lutheran Preschool will be expanding, with the addition of a 2-year old preschool program.

Because we know that many families need a safe and loving environment to which they can entrust their greatest toddler blessings, the program will have the same look and feel and will operate under the same standards as our preschool 3 and 4-year old programs.

“Creative Curriculum” will be utilized by a certified early children educator in the 2-year old room; this is the same curriculum used in all of our preschool rooms. It is a purposeful-play curriculum that equips teachers and assistants with developmentally, age-appropriate activities that help children grow socially, emotionally, and cognitively. These special students will also spend time with Jesus each day through the One in Christ Bible Stories series.

To be eligible, your child must be 2 years old by the first day of school (Aug. 15) to start the program, and a child is eligible for the class as soon as he/she turns 2. For example, when your child turns 2 on December 10th, he/she would be eligible for the program on that date.

We offer a variety of options for attending, including 1-5 days, full and half days. Your child does not have to be potty trained.

Learn more and the tuition costs by clicking here.

Start the application process today! <http://mytads.com/a/zionbelleville>

If you have a 2-year old child, we hope you will consider enrolling him/her in our program. Please help us out, also, by sharing this great news with your family, friends, neighbors and others. Encourage them to learn more today by visiting our website at zionschoolbelleville.org, emailing Erica Stelling, Admissions & Marketing Director, at estelling@zionschoolbelleville.org or calling the school at 618-234-0275.
