

Start with Hello Week

Start With Hello Week is organized by Sandy Hook Promise, a national nonprofit organization based in Newtown, Connecticut. Sandy Hook Promise is led by several family members whose loved ones were killed in the tragic mass shooting at Sandy Hook Elementary School that claimed the lives of 20 first-graders and 6 educators. Start With Hello brings attention to the growing epidemic of social isolation and empowers young people to create a culture of inclusion and connectedness within their school, youth organization and community.

Next week Zion student council is sponsoring a Start with Hello Week. We will be focusing on making everyone in our school wide community feel welcome and included. The student council will be supporting several activities throughout the week helping everyone to get to know each other better and feel even more comfortable walking our halls.
