

Parents and Students of Zion,

Zion Church Community packed and delivered sack lunches last summer to families in need in our community. There are many families in need in our community and we can help!

We are asking you to donate what you can to make a difference in our community. The goal is to collect 2000 Capri Sun drinks! We are also hoping to collect granola bars, peanut butter crackers and applesauce cups. Zion 5th through 8th grade will be collecting April 1st to April 15th. There will be special incentive days throughout the project. Check out the flyer attached to this letter.

This is a great opportunity to make a difference in our community. The importance of caring and service are critical in helping others in need. Prayerfully consider joining our efforts to help the hungry in Belleville.

In His Service,

Zion Student Council

ZION FOOD DRIVE
